Sign making night:

On Wednesday evening we gathered to make some beautiful signs in preparation for the protest on Friday. We painted, chatted, and drank some beer together!

SDG´s day:

On Friday, we met early at 9:00 to raise the **Sustainable Development Goals flag**. A number of people gathered in the market square to show their support and listen to the speeches of Green Office members from UCR and HZ and from the municipality representative. Thank you to **Emilia Köhn** and **Svetlana Vylkova** for your inspiring speeches!

After that, we walked to the HZ University to support their raising of the SDG flag.
