Upcoming Events

PAPER-MAKING WORKSHOP

The Green Office, in collaboration with Litra, has decided to organize a paper-making workshop. It is the first time we are doing this and there are limited spots for the event, so if you are interested make sure to come in groups of 3 or 4 people and bring your own towels (to dry the paper) and dry flowers (to decorate). The event will take place this Wednesday (6/9) in the Elliott downstairs area and it starts at 4:30 on Wednesday. For more information on how this works visit our Instagram and sign up for a time slot [here](#).

ZB LIBRARY EXCHANGE

Did you have fun in the clothing exchange a few weeks ago? Then visit the ZB library on Saturday from 14:00 to 16:00. The Library is organizing an exchange with the Eleanor Green Office and many other organizations in Middelburg, including the HZ Green Office as well! So if you found nice things in our clothing exchange we would definitely recommend you to come to this one.

ANNE GARDENING

Last but not least, if you like gardening and you really need a break from your studies, join our gardening and cleaning session in the Anne parking lot on Saturday at 14:00. Since the weather is getting colder, we will also have some hot drinks ready for those who need them during the event.

Volunteers

MUSHROOM FARM

Thanks to some of our enthusiastic volunteers who formed a group to work on the project, the mushroom farm is starting back up again! If anyone is interested in this project or any other future projects from the GO, please join the volunteer WhatsApp group [here](#).

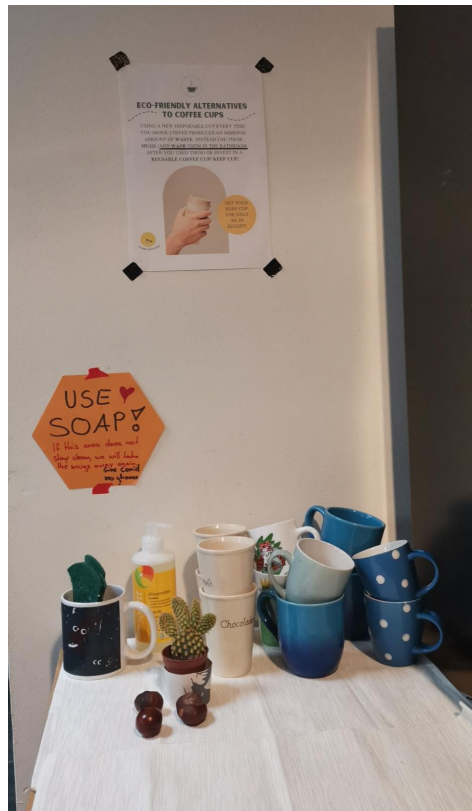

What we did this Week

Just a little insight on what we do during the week and what we discuss in

our meetings :)

- meeting with the Dean
- Sent off the second UCRadio recording
- Produced the first video about the Fridays for Future protest
- meeting with Litra
- Printed and distributed the Green Guides
- Inaugurated the sustainable cup section next to the Eleanor coffee machine

That is it for this week! Thank you for reading!
